Kick-off event European Germany - E17

21.4.22 from 2:00-6:00 p.m. // Online via Zoom

At the kick-off event, the eight participating cities - Bad Lobenstein, Berlin, Borkum, Ingolstadt, Kassel, Leipzig, Munich, Regensburg - will present their competition tasks and interested participants from all over Europe can ask questions. At the same time, we will highlight the European 17 thematic focus "Living Cities 2": with a short keynote speech and inputs from various experts who will refer to the questions posed by the cities.

The event will be translated into English (therefore use the "translation English Channel" in the Zoom conference).

The event will be moderated by the two European Germany board members Kaye Geipel, architecture critic, urban planner and curator and Dr. Saskia Hebert, subsolar* architektur & stadtforschung.
