private: m²
joint use: m²
confidential: m²
archive: m²

A **query of the wishes and requirements** of the future users should lead to an **individual working environment**. The questionnaire can also be repeated to capture changing needs in the team or company.

Each room has its own **booking system** in order to **be able to meet individual room needs**, but at the same time to achieve the most **efficient use of space**. Users can access this calendar from anywhere and book free slots.
